Pat:

Thanks for your recommendation of last October on

STAT STAT

scored well on our German and French tests but in an interview with us he seemed to lack enthusiasm for the kind of work we are doing. He was therefore rejected for FBIS. We have been told that his file was reviewed by other offices but that there was no interest.

In any case, thanks for recommending him and I'm sorry it didn't work out.

Hope you are enjoying OLL.
